### **A Dictionary of Numismatic Names: Albert Romer Frey**

â€™In the numismatic section of the museum, coins of ancient and British India, and those of other countries

are on display.â€™™ â€™™The reason for the change in formulation is that numismatic specialists and antiquarians insisted that coins had to be made of metal.â€™™

### **numismatic | Definition of numismatic in English by Oxford**

Sometimes called "the hobby of kings," numismatics is not the act of hoarding cash. It is about appreciating the history and craftsmanship involved in the creation of coins and bills. Numismatics might collect copper pennies, for example (pennies are no longer 100% copper), or money printed during the Civil War when the South had its own currency. The hobby requires knowledge of rare metals, minting processes, and, of course, history.
