Silk wrapping on relaxed hair can be done straight after roller setting to smooth the hair out. For natural hair that has been lightly pressed so that it is at the "kinky straight"™ stage, a silk wrap will not give the relaxer straight look but will reduce the bulk of the hair for a flatter look while giving your hair a silky smooth feel. For natural hair that has been straightened smooth, a silk wrap can be used after a week or so to refresh the press to allow it to last longer.
