Your Body Can Talk How To Use Simple Muscle Testing For

Unlike other similar books, Your Body Can Talk provides the average reader with simple tools to begin evaluating their own health status, transforming the reader from being a victim of the medical system to thriving as a self-sufficient health consumer.

Your Body Can Talk: How to Use Simple Muscle Testing for

Your Body Can Talk, 2nd Edition is about the art and application of Clinical Kinesiology, and serves as an introduction to the energetic system that links mind and body. It shows how the body can "talk," and therefore be used as a diagnostic tool to measure a wide variety of its own functions, and to determine which healing approach will best suit an individual.

Your Body Can Talk - 2nd Edition by Dr. Susan Levy

The ways that you can help your own body, and learn what it needs by certain positioning of your fingers is pretty amazing. I do this everytime that I go into the doctors office, but am now understanding why certain things she does works, the mechanics of it, if you will.
